

**THE WHOLE or half HOG from Filbert Acres
2016**

*Quality wholesome meat to optimize your healthy home
menus for months to come!*

Many want to know where their meat is coming from, what it has been fed, and whether the animals lived in a warehouse or outdoors with appropriate shelter. You can purchase our pork from our farm by the piece, or you can save by choosing to buy a whole or half and then selecting the cuts and processing in conversation with a custom butcher.

Our whole and half hogs will go to **Olson's in Enumclaw**, where we are confident you will enjoy their family tradition of quality butchering and curing. Adam Olson routinely wins top honors at the Northwest Cured Meat Championships.

Cost Example for a Half Hog

100lb hanging wt (no head or skin)@ \$5.40/lb	\$540 to Filbert Acres
Olson's cut and wrap 100lb = \$75	
Olson's curing, smoking, \$30	
	<u>\$105 to Olson's</u>
	\$ 645 Total

We cover the slaughter fee: \$75

We estimate that you will save \$1.50/lb or more by buying a half/whole from us instead of our retail cuts. It is also a great advantage to be able to select the cuts and processing you prefer. We send you some guidelines and suggestion about what to order, which especially helps if you haven't done it before. When your order is ready, we can often bring it to the farm for convenient pick-up.

Filbert Acres hogs begin right here as weaners and have been **pastured, fed organic feed, and finished on hazelnuts, winter squash, and apples**. Several of our customers have commented that Filbert Acres pork is the best pork they've ever had, including people who are very passionate and knowledgeable about meat. We are confident that you will enjoy it too.

We have to receive your deposit (\$150 half/ \$300 whole) in order to reserve a half/whole for you. Please mail a check to Filbert Acres with your name, phone number and email address. After slaughter, the hogs are weighed and we can determine the remaining balance.

Please call or email if you have any questions. Thank you!
